ALLIES UNITE!

ARE YOU READY TO COME OUT AS AN ALLY?*

**Remember this simple little rule:
Lead with your ally-ness.**

Tell people why you're an ally.
Tell people why the conversation is important to you.
"I'm an ally because..."

Start a conversation, change the world. It's that easy.

*Without saying, "I'm not LGBTQ...not that there's anything wrong with that."
