

Nearly 50 years ago, PFLAG was founded with a simple but profound expression of love when a mother chose to shatter a culture of silence and shame by speaking out publicly about her unequivocal support for her gay son.

Since that historic moment, through the courage of hundreds of thousands of empowered advocates, PFLAG has become an internationally recognized force in the fight for acceptance and equality for lesbian, gay, bisexual, transgender, and queer (LGBTQ+) people, moving its mission forward through support, education, and advocacy. Fueled by a powerful combination of family and ally voices joined with those of LGBTQ+ people, PFLAG plays a unique role in the equality movement by organizing at the national level, inspiring community engagement at the grassroots level, and empowering people everywhere to have everyday conversations to win the full acceptance of LGBTQ+ people in all aspects of life.

A partnership with PFLAG National is an investment in inclusion everywhere—from our nation’s capital to our kitchen tables, from the state house to the school house, from places of work to places of worship. Your investment in PFLAG is a visible commitment to achieving equality for all.

With more than 400 chapters nationwide and powerful educational and advocacy programs, PFLAG is the only national organization with an LGBTQ+ and ally chapter network of this magnitude, positioning PFLAG to work with national partners to identify opportunities for creating truly inclusive environments.

PFLAG'S VISION

PFLAG envisions a world where diversity is celebrated and all people are respected, valued, and affirmed inclusive of their sexual orientation, gender identity, and gender expression.

PFLAG'S MISSION

Our mission is to build on a foundation of loving families united with LGBTQ+ people and allies who support one another, and to educate ourselves and our communities to speak up as advocates until all hearts and minds respect, value and affirm LGBTQ+ people.
