

50 years ago in 1973, PFLAG was founded with a simple but profound expression of love when a mother chose to shatter a culture of silence and shame by speaking out publicly about her unequivocal support for her gay son.

Since that historic moment, through the courage of hundreds of thousands of empowered advocates, and hundreds of chapters nationwide, PFLAG has become an internationally recognized force in the fight for inclusion, affirmation, and equity for lesbian, gay, bisexual, transgender, and queer (LGBTQ+) people and the people who love them, moving its mission forward through support, education, and advocacy. An investment in PFLAG National is your organization's way to support life-changing programs nationwide, gain key visibility among a diverse audience, and advocate for LGBTQ+ equality both in and out of the workplace.

“Simply the deepest and most heartfelt thanks for your partnership...I already know from all the feedback that the leadership group is incredibly inspired! On a personal note, I am truly humbled by this opportunity to partner with you!”

“We are fortunate to have such a great partner in PFLAG and so glad we could share information with our teammates and provide another resource for their ally journeys.”

A philanthropic partnership with PFLAG National is an investment in inclusion everywhere—from our nation’s capital to our kitchen tables, from the state house to the school house, from places of work to places of worship. Your investment in PFLAG is a visible commitment to achieving equality for all.

Together, we are striving toward true inclusion and equity at a moment in our nation’s history when attacks on our LGBTQ+ loved ones are occurring at an explosive and disheartening rate. At no time in our history have our partnerships been more important than in this moment. This is a frightening time for our LGBTQ+ loved ones and their families, and we know that having even one supportive and affirming adult in an LGBTQ+ youth’s life reduces self-harm risk by 40 percent. With your help and support, we will ensure that PFLAG National remains a life-saving resource for LGBTQ+ people and their families for the next 50 years and beyond.

PFLAG’S VISION

An equitable, inclusive world where every LGBTQ+ person is safe, celebrated, empowered, and loved.

PFLAG’S MISSION

To create a caring, just, and affirming world for LGBTQ+ people and those who love them.
