trans and nonbinary allies:

IT'S TIME TO SPEAK UP!

Looking for a way to show people how to be a trans and nonbinary ally?

Try this:

Lead with your ally-ness: *"I'm an ally to the trans and nonbinary community because..."*

Tell people one way that you're being a trans and nonbinary ally (and how they can be one too): *"As a trans and nonbinary ally, I will..."*

You've started a conversation and started changing the world. It really is that easy.
