

In 1973, PFLAG was founded with a simple but profound expression of love when a mother chose to shatter a culture of silence and shame by speaking out publicly about her unequivocal support for her gay son.

Since that historic moment, through the courageous love of hundreds of thousands of empowered advocates, and hundreds of chapters nationwide, PFLAG has become an internationally recognized force in the fight for inclusion and equity for lesbian, gay, bisexual, transgender, and queer (LGBTQ+) people and those who love them, moving its mission forward through support, education, and advocacy. An investment in PFLAG National is your organization's way to support life-changing programs nationwide, gain key visibility among a diverse audience, and advocate for LGBTQ+ equality both in and out of the workplace.

“We are fortunate to have such a great partner in PFLAG National and so glad we could share information with our teammates and provide another resource for their ally journeys.”

A philanthropic partnership with PFLAG National is an investment in inclusion everywhere—from our nation’s capital to our kitchen tables, from the state house to the school house, from workplaces to places of worship. Your investment in PFLAG National is a visible commitment to our mission to create a caring, just, and affirming world.

Together, we are striving toward true equity and inclusion at a moment when attacks on LGBTQ+ people and their loved ones are occurring at an explosive and disheartening rate. Our partnerships have never been more important: Having just one supportive and affirming adult in an LGBTQ+ youth’s life reduces self-harm risk by 40 percent. PFLAG is working to ensure that every LGBTQ+ person—especially LGBTQ+ youth—have that affirming adult in their lives, mitigating the risk of self-harm, homelessness, and more. With your support, we will ensure that PFLAG remains a life-saving resource for LGBTQ+ people and their families for the next 50 years and beyond.

“Simply the deepest and most heartfelt thanks for your partnership...I already know from all the feedback that the leadership group is incredibly inspired! On a personal note, I am truly humbled by this opportunity to partner with you!”

PFLAG’S VISION

An equitable, inclusive world where every LGBTQ+ person is safe, celebrated, empowered, and loved.

PFLAG’S MISSION

To create a caring, just, and affirming world for LGBTQ+ people and those who love them.
